Rumiano's awarding-winning **Organic Cheese** is the first in the world to achieve Non-GMO Project Verification—as well as being grass-fed and kosher. Rumiano Brand USDA certified organic cheeses also carry the American Humane Association's "Free Farmed" certification, which ensures the humane treatment of animals at the dairies. As California's oldest family owned cheese company, we make cheese the way our grandparents and great grandparents intended—the old fashioned way! Our legendary taste appeal, consistency and high standards define Rumiano as the leader in producing "*Real California Cheese!*"
